LOGNOTE -- Chief, Operations Group, 26 November 1984

1. The following from this afternoon's staff meeting:

- D/FBIS will abolish the FBIS Advisory Team (FAT).
- It has been decided that there will be a Christmas party on 20 December between 3 and 6 p.m. on the 4th floor in the conference room and hallway. [redacted] will be in charge of this effort and will be asking for ideas and helpers from the various groups. Senior officers will be asked to contribute \$6, others \$4.
- E&PS will be preparing a memo seeking a congressional reserve release for relocation of the Middle East bureaus. They will try to wrap Tel Aviv, Jordan and Nicosia all into one request which should come to about 1.2 million dollars. We cannot go to Congress with a request lower than a million. We are assured by the Comptroller and everybody else up the line that we will not have any problem with this request.
- C/DRD reported that they had received over 400 applications as a result of the West Coast recruiting advertisements. D/FBIS said we should keep recruiting high in all departments regardless of position cuts being planned by DDS&T.
